

RIYA GAUR: (Python/Django Developer)

Address: Noida Sector-52, NOIDA:202001

Contact: 7060665934 | E-mail: gaur.riya1995@gmail.com

MY LEARNING PROCESS:

- I have done **4 Month Certification Course** “ Complete backend Web Development with Python & Django” From Croma Campus institute.
- Good in developing of web applications implementing MVT architecture using Django framework.
- Good on Database Connectivity Programming.
- Can work on python integrated Development Environments like PyCharm and Vs Code.
- Basic knowledge of HTML, CSS, JAVASCRIPT & BOOTSTRAP.
- Basic knowledge of MySQL, SQLites3.

KEY SKILLS:

- Operating System :- Window
- Language :- Python.
- Framework and Module: - Django.
- Web Technologies: - HTML, CSS, JAVASCRIPT & BOOTSTRAP.
- DBMS: - MySQL, SQLites3.
- IDE: - Pycharm , Vs Code.
- Excel, GoogleSheet.

PROJECT EXPERIENCE:

- I designed, built and managed a Portfolio website (<http://riyaagaur21.herokuapp.com>) as a sole developer through this website i tried to put all concepts which i learn during my coding journey.
- This website is a good combination of html,css,bootstrap and i used MVT pattern in this project.
- I used Reverse Engineering & Build Basic Projects First.
- I break the code where I need to figure out why things work the way they do
Documentation is just a reference.

ACADEMIC QUALIFICATIONS:

Qualification	Board/University	Year	Percentage
B.Tech.	AKTU	2021	79.75%
Diploma	BTEUP	2015	69.55%
High School	UP BOARD	2012	77.65%

EXTRA CURRICULAR ACTIVITIES/ HOBBIES:

- Playing Badminton
 - Travelling and Explore Nature.
 - Participated in Knowledge competition like Bharat jano .
-
